

IN00362 (rev D)

# Half Framed Bath Screen

- Instruction suitable for both Right and Left Hand Fixing
- Instruction suitable for Square, Sail, Oval and Radius Variants
- This product is designed to open outwards.

**AQUALOX**  
— Est 1979 —

## Before You Start

- Check that the bath has been installed correctly and that it is level (Fig. A), tiled down onto and sealed to the manufacturer's guidelines. **Please Note:** All product supplied without bath.
- Check that there is sufficient space on the bath for the product and that the screen movement does not foul other items such as sinks and taps.
- **Please Note:** This product is outward opening only.
- Ensure the product is fitted to a non-porous surface ie. tiled. Check that the wall surface is flat.
- Unpack and check the product is complete and undamaged.
- Fixings are supplied for solid walls only. Ensure that the correct fixings are used for the wall type – if in doubt seek professional advice
- Ensure the area is clean, dry and dust free.
- Read the instructions in full.
- Have the correct tools available, (as shown below, see 'Tools Required').

**Fig.A.**

## Safety

- Handle all glass with care - support on cardboard to avoid risk of breakage.
- This product is heavy and requires 2 people to carry and install it.
- When drilling walls check first for hidden pipes and cables.
- All glass is toughened – it cannot be reworked or replaced by ordinary glass.
- Use safety eyewear when drilling.
- Use safety eyewear when handling glass.
- Keep all small parts away from children.
